44 Main Street East  
Norwich, Ontario N0J 1P0

Dear Mr. Van Mourik:

I wish to express my sincere appreciation for your hard work and dedication to furthering energy efficiency efforts in your field. Reducing greenhouse gas emissions and saving energy is crucial, not only in curbing climate change, but also in creating a cleaner environment for us all to live in.

I commend you for your commitment and know that you will continue to promote energy efficient practices in future.

Kind regards,

*Grant Wilson Miles*
